

Recreation Volunteers

What is City Recreation looking for in a volunteer?

We are looking for enthusiastic, hard working, motivated, individuals who would like to help our community through sharing their talents and skills. Volunteers would be instructing, coaching, assisting, and/or leading groups of youth or adults throughout an entire season or class. Volunteers need to be organized and committed to the program they choose. We would like volunteers to have some experience or background in the subject matter they volunteer for. We ask that you be at least 18 years of age. However, if youth are interested in volunteering, their help as an assistant would be appreciated.
