RE: **ADDENDUM**: Sealed Bid Request for Asbestos Survey & Monitoring of
Abatement – City of Clarksville

The following changes have been made to the Request for Bids. An updated Request for Bids with changes in strikethrough and underline format is attached.

1. The bid opening time has been changed from Friday, November 17 at 1:00 p.m. to Monday, November 20 at 10:00 a.m.
2. In Item 1 of the RFB (p. 1), the statement “Contractor must submit a copy of their current unexpired Iowa permit/license to perform asbestos surveys and their Iowa Contractor Registration” has been replaced with “The sealed bid must include a copy of a current unexpired Iowa asbestos inspector license for each person who will or may collect asbestos samples for this project on behalf of the Contractor, as well as a copy of the Contractor’s current Contractor Registration Certificate from Iowa Workforce Development.”
3. In Item 22 of the RFB (p. 8), the following requirement has been removed: “(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The ‘bid guarantee’ shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified. Applicant agrees to release this bond within seven (7) days of Contract award.”
4. On the Exhibit B Bid Tabulation Sheet for each address, the “Unit Price” column heading has been replaced with “Price Per Sample.”
